Big Time Rush - Next Step

Tom: A

```
      Bm                        A
Step 1 we were just two friends having fun
      E                        B
Step 2 I couldn't take my mind off of you
     Bm                   A
Step 3 is when you put your arms around me
      E                   B
Step 4 we weren't just friends anymore

(Pré-Refrão)
Bm                   A
When you look my way
                          E
There's nothing left to say
                         B
Just the way that I feel

Its all I can do
Bm                   A
Not to touch your lips
                      E
Not to kiss your face
            B
Nothing left to say

(Refrão)
Bm                   A
Lets take it to the next step

Oh oh oh oh oh oh
E                    B
Cause we've never been there before
Bm                   A
Lets take it to the next step

Oh oh oh oh oh oh
```

```
E                        B
Cause my heart can't take anymore

      Bm                          A
Step 5 is when I left those tears in your eyes
      E                   B
Step 6 I don't even know what I did
      Bm                   A
Step 7 happened when I walked out the door
      E                      B
Step 8 we aren't even friends anymore

(Pré-Refrão)

(Refrão)

Bm                   A
Lets take it to the next step
E                         B
Won't let her, won't let it go
Bm                   A
Lets take it to the next step
E                B
Won't never, never know

(Pré-Refrão)

(Refrão)

Bm                   A
Lets take it to the next step
E                     B
Won't let her, won't let it go
Bm                   A
Lets take it to the next step
E               B
Won't never, never know
