

# Big Time Rush - Patalyzed

Tom: Eb

You, you walked into the room  
 On a Friday afternoon  
 That's when I saw you for the first time  
 And I was paralyzed

I had a million things to say  
 But none of them came out that day  
 'Cause I was never one of those guys  
 That always had the best lines

Pré Refrão:

Time stops ticking  
 My hands keep shaking  
 And you don't even know that

I try to speak but girl you got me tongue-tied

I try to move but I'm stuck in my shoes

I see you walking, but all you do is pass me by  
 Can't even talk, cause words don't come into my mind  
 I'd make a move if I had the guts to

Now I learned a lot from my mistake  
 Never let a good thing slip away  
 I've had a lot of time to look back  
 And my only regret is

Pré-Refrão:

Not telling you what I was going through

You didn't even know that

I try to speak but girl you got me tongue-tied

I try to move but I'm stuck in my shoes

I see you walking, but all you do is pass me by  
 Can't even talk, cause words don't come into my mind  
 I'd make a move if I had the guts to

Ponte:

As the years go by I think about you all the time  
 If I get the chance I hope I won't be paralyzed

Paralyzed by you  
 You walked into the room

On a Friday afternoon

I try to speak but girl you got me tongue-tied

I try to move but I'm stuck in my shoes

I see you walking, but all you do is pass me by  
 Can't even talk, cause words don't come into my mind  
 I'd make a move if I had the guts to

Final:

Paralyzed, paralyzed  
 (You got me tongue tied)  
 Paralyzed, paralyzed  
 (Now I'm frozen inside)  
 Paralyzed, paralyzed
