

Big Time Rush - Time Of Our Life

```
We can party all night have the time of our life, girl
Intro: A G F
Im lookin and you, yeah
                                                             I can't help myself, cuz girl you're so fly
You're lookin at me
                                                              I knew from the minute that I looked in your eyes
Something about you's got me goin crazy
                                                              That you could be the one, you're just my type
Can't let you get away, isn't it obvious
She's beautiful, unusual, the prettiest thing in the room
                                                              That I'm into you
(Puente)
                                                              (Puente)
No one else compares to you
                                                              (Coro)
Just do what you do and I will be there for you
                                                              No we don't have to leave tonight
If you take my hand (my hand), just give me the chance (the
                                                              We'll stay together on the dance floor
                                                              Turn up the sound, turn down the lights
Say don't worry about a thing
                                                              (The lights, the lights, the lights)
Just dance dance dance
                                                              (Don't wanna let go, yeah)
(Coro)
                                                              Make this a night we won't forget
Hey!
If feels right girl just give me my a sign
                                                              And livin with no regrets
We're gonna party all night
                                                              And no one else but us
Have the time of our life, yeah
                                                              Til the sun comes up
I can't fight how I'm feelin inside
                                                              (Coro)
                                                              AGF
```
