

# Big Time Rush - We Are

Tom: A

A D  
Thinking, we don't wanna get caught up in overthinking

A D  
We've only got tonight

A D  
Moments, we gotta keep on living for these moments

A D  
'Cause this is our time

A D  
Life's too short to sit and wait

Gbm E  
For luck to come our way

A D  
Light it up like fireworks

Gbm E  
I wanna hear you say

A  
We are, we are

D  
We are alive

Gbm E  
And we are the light that's shining down

A  
We are, we are

D  
We are the reckless

Gbm E  
You can hear us drowning out the sound

A  
We are, we are

D  
Young and dumb

Gbm E  
Always chasing something

A  
We are, we are

D  
Hearts like drums

Gbm E  
You can hear us coming

A  
We are, we are

A D  
Chances, you know there's nothing wrong with taking chances

A D  
We put it on the line

A D  
Oh, someday, I know we're gonna be somebody someday

A D  
Only gotta try

A D  
Life's too short to sit and wait

Gbm E  
For luck to come our way

A D  
Light it up like fireworks

Gbm E  
I wanna hear you say

A  
We are, we are

D  
We are alive

Gbm E  
And we are the light that's shining down

A  
We are, we are

D  
We are the reckless

Gbm E  
You can hear us drowning out the sound

A  
We are, we are

D  
Young and dumb

Gbm E  
Always chasing something

A  
We are, we are

D  
Hearts like drums

Gbm E  
You can hear us coming

A  
We are, we are

A D  
Oh oh ooh oh oh ooh oh oh

Gbm E  
Oh oh ooh oh

We are, we are (x4)

A  
We are, we are

D  
We are alive

Gbm E  
And we are the light that's shining down

A  
We are, we are

D  
We are the reckless

Gbm E  
You can hear us drowning out the sound
