

Big Wild - Touch

tom:

Intro: Am Em G D
Am Em G D

[Primeira Parte]

Tell me is it true? (Is it true?)
That love without a spark, leaves you in?the?dark

Gripping at my?heart
Searching for the surface

Starting to get?nervous
I'm feeling lone, lone, lone, lonely
Show me some mercy

Ooh now, 'cause I'm thirsty
These demons creepin' closer
Fighting what's inside

[Pré-Refrão]

No echoes in the desert
No one to hear you cry
Howlin' at the moon

But my throat is gettin' dry
Desire at the wheel
Takes a turn for desperation

It feeds my motivation
Ooh, ooh, ooh, ooh, ooh

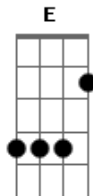

[Refrão]

Ooh I'm waiting for your touch (Ooh, ah, ah, ah, ah, ah)
Ooh I'm waiting for your touch (Ooh, ah, ah, ah, ah, ah)

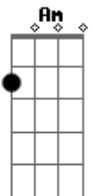

[Segunda Parte]

Where have you been?
Forgotten all in the moment
Ooh, ooh, ooh
