Nothin' left to lose without my baby

Birds of a feather^D
We should stick together^{Bm}
I know^{Em}
I said I'd never think^A
I wasn't better alone^{Em}
Can't change the weather^A
Might not be forever^A
But if it's forever^A
It's even better

And I don't know what I'm cryin' for^{D Bm}
I don't think I could love you more^{Em}
It might not be long, but, baby, I^A
