

# Billie Eilish - BIRDS OF A FEATHER

tom:  
 D (forma dos acordes no tom de C )  
 Capostraste na 2ª casa

I want you to stay  
 Till I'm in the grave  
 Till I rot away, dead and buried  
 Till I'm in the casket you carry  
 If you go, I'm going too, uh  
 'Cause it was always you, uh  
 And if I'm turning blue, please, don't save me  
 Nothing left to lose without my baby  
 Birds of a feather, we should stick together  
 I know I said I'd never think I wasn't better alone  
 Can't change the weather, might not be forever  
 But if it's forever, it's even better  
 And I don't know what I'm crying for  
 I don't think I could love you more  
 It might not be long, but, baby, I  
 I'll love you till the day that I die  
 Till the day that I die  
 Till the light leaves my eyes  
 Till the day that I die

I want you to see, mmm  
 How you look to me, huh  
 You wouldn't believe if I told ya  
 You would keep the compliments I throw ya  
 But you're so full of shit, hmm  
 Tell me it's a bit, oh  
 Say you don't see it, your mind's polluted  
 Say you wanna quit, don't be stupid  
 And I don't know what I'm crying for  
 I don't think I could love you more  
 It might not be long, but, baby, but I  
 Don't wanna say goodbye  
 (Birds of a feather, we should stick together)  
 Till the day that I die  
 (I know I said I'd never think I wasn't better alone)  
 Till the light leaves my eyes  
 (Can't change the weather, might not be forever)  
 Till the day that I die  
 But if it's forever, it's even better  
 I knew you in another life  
 You had the same look in your eyes  
 I love you, don't act so surprised
