## **Billie Eilish - BIRDS OF A FEATHER**

```
Fm7
                                                                'Til the light leaves my eyes
                            tom:
                D
                                [Primeira Parte]
                                                                'Til the day that I die
                D7M
I want you to stay
                                                                [Segunda Parte]
                  B7
'Til I'm in the grave
                                                                               D7M
             Em7
                                                                I want you to see, hmm
'Til I rot away, dead and buried
                                                                                 B7
                 A7
                      A7
                                                                How you look to me, hmm
'Til I'm in the casket you carry
                                                                                 Em7
                     D7M
                                                                You wouldn't believe if I told ya
If you go, I'm goin' too, uh
                                                                                    A7
                      B7
                                                                You would keep the compliments I throw ya
'Cause it was always you (Alright)
                                                                                         D7M
                                                                But you're so full of shit, uh
                     Em7
And if I'm turnin' blue
                                                                                B7
                                                                Tell me it's a bit, oh
Please don't save me
                                                                                  Em7
                                                                Say you don't see it, your mind's polluted
                 Α7
                              Α7
Nothin' left to lose without my baby
                                                                                A7
                                                                                            A7
                                                                Say you wanna quit, don't be stupid
[Refrão 1]
                                                                [Pré-Refrão]
D7M
   Birds of a feather
                                                                D7M
                                                                                                       R7
                                                                    And I don't know what I'm cryin' for
We should stick together
                                                                                                 Em7
                                                                I don't think I could love you more
I know
                                                                                              A7
                                                                Might not be long, but, baby, I
I said I'd never think
                                                                                      D7M
                                                                Don't wanna say goodbye
I wasn't better alone
Em7
                                                                [Refrão 1]
   Can't change the weather
                                                                Birds of a feather, we should stick together
Might not be forever
                                                                    B7
                                                                I know ('Til the day that I die)
       A7
But if it's forever
                                                                                                          Fm7
                                                                I said I'd never think I wasn't better alone
It's even better
                                                                ('Til the light leaves my eyes)
[Pré-Refrão]
                                                                Can't change the weather, might not be forever
D7M
                                      B7
                                                                Α7
   And I don't know what I'm cryin' for
                                                                       ('Til the day that I die)
                                Em7
I don't think I could love you more
                                                                But if it's forever, it's even better
It might not be long, but, baby, I
                                                                D7M
                                                                    I knew you in another life
[Refrão 2]
                                                                                                Fm7
                                                                You had that same look in your eyes
                                   D7M
                                                                                              Α7
I'll love you 'til the day that I die
                                                                I love you, don't act so surprised
'Til the day that I die
                                                                [Final] D7M B7 Em7 A7
