

# Billie Eilish - Come Out And Play

Tom: G

C  
Hmm, hmm

C  
Wake up and smell the coffee

C  
Is your cup half full or empty?

C  
When we talk, you say it softly

C  
But I love it when you're awfully quiet, hmm, quiet

C  
You see a piece of paper

C  
Could be a little greater

C F  
Show me what you could make her

C  
You'll never know until you try it

C  
You don't have to keep it quiet

Am Em C  
And I know it makes you ner-vous

Am Em F  
But I promise you, it's worth it

Am Em G  
To show 'em every-thing you kept in-side

C (Em) (C) Em (F)

Don't hide, don't hide  
Am Em G

Too shy to say, but I hope you stay  
Em Am

Don't hide a-way  
C

Come out and play

C (Em)  
Look up, out of your window

C (Em)  
See snow, won't let it in though

C (Em)  
Leave home, feel the wind blow

C (F Am) C  
'Cause it's colder here inside in silence

(Am) F (C)  
You don't have to keep it quiet

Am Em C  
And I know it makes you ner-vous

Am Em F  
But I promise you, it's worth it

Am Em G  
To show 'em every-thing you kept in-side

C (Em) (C) Em (F)  
Don't hide, don't hide

Am Em G  
Too shy to say, but I hope you stay

Em Am  
Don't hide a-way

C  
Come out and play
