

Billie Eilish - Everybody Dies

tom:
 Capotraste na 3ª casa
 Intro: Em D Bm Em

[Primeira Parte]

Everybody dies, surprise, surprise
 We tell each other lies, sometimes, we try
 To make it feel like we might be right
 We might not be alone
 Be alone

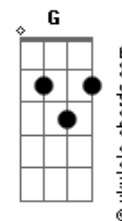

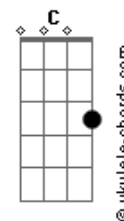

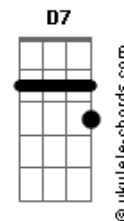

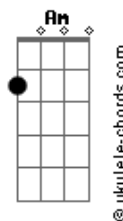

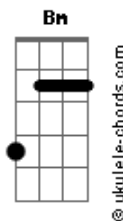

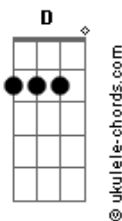

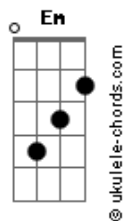

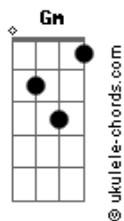

[Segunda Parte]

"Everybody dies," that's what they say
 And maybe, in a couple hundred years
 They'll find another way
 I just wonder why you'd wanna stay
 If everybody goes
 You'd still be alone

[Terceira Parte]

I don't wanna cry, some days I do
 But not about you

Acordes

It's just a lot to think about
 The world I'm used to
 The one I can't get back
 At l?ast not for a while
 I sure have a knack for seein' lif?
 More like a child
 It's not my fault, it's not so wrong
 To wonder why
 Everybody dies, and when will I?

[Quarta Parte]

You oughta know
 That even when it's time
 You might not wanna go
 But it's okay to cry
 And it's alright to fold
 But you are not alone
 You are not unknown
