

# Billie Eilish - goodbye

Tom: E

Pleee-eeeeee-ease

Pleee-eeeeee-eeee-ease

Don't leave meeee-eee

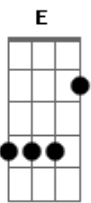

Beeee-eeeeee-eeee-eee

It's not true, take me

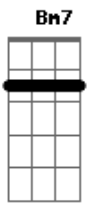

To the rooo-ooo-ooo-oooooooooooooooooof  
Told you not to worry

What do you want from me?  
Don't ask questions (questions, questions), wait a minute  
Don't you know I'm no good for you?  
Baby, I don't feel so good (feel so good)  
Oh, all the good girls go to hell  
Bite my tongue, bide my time  
What is it about them?  
I'm the bad guy
