 Late night when you need my love Am
 Call me on my cell phone Dm
 Late night when you need my love Am N.C.
 And I know when that hotline bling Dm
 That can only mean one thing Am
 I know when that hotline bling Dm
 Am

That can only mean one thing
 'Cause ever since I left the city, you Dm
 Got a reputation for yourself now Am
 Everybody knows and I feel left out Dm
 Girl, you got me down, you got me stressed out Am
 N.C. Dm
 'Cause ever since I left the city, you Am
 Started wearing less and goin' out more Dm
 Glasses of champagne out on the dance floor Am
 Hangin' with some girls I've never seen before
 'Cause ever since I left the city
