

Billie Eilish - I Love You

tom:

F
It's not true

F
Tell me I've been lied to

F **C**
Crying isn't like you, ooh

F
What the hell did I do?

C
Never been the type to

F **C**
Let someone see right through, ooh

F
Maybe won't you take it back?

Dm
Say you were tryna make me laugh

G
And nothing has to change today

G7 **Am**
You didn't mean to say: I love you

C
I love you

F **C**
And I don't want to, ooh

F
Up all night

C
On another red-eye

F **C**
We wish we never learned to fly high

F
Maybe we should just try

C
To tell ourselves a good lie

F **C**
Didn't mean to make you cry, I

F
Maybe won't you take it back?

Dm
Say you were tryna make me laugh

G
And nothing has to change today

G7 **Am**
You didn't mean to say: I love you

C
I love you

F **C**
And I don't want to, ooh

Dm
The smile that you gave me

G **F**
Even when you felt like dying

F
We fall apart as it gets dark

Dm
I'm in your arms in Central Park

G
There's nothing you could do or say

G7 **Am**
I can't escape the way I love you

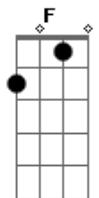

C
I don't want to

F **C**
But I love you, ooh

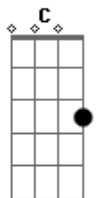

F **C**
Ooh, ooh

F **C**
Ooh, ooh
