

# Billie Eilish - I Wish You Were Gay

tom:  
G

I ate alone at 7, you were six minutes away

[Refrão]

Baby, I don't feel so good  
Six words you never understood  
I'll never let you go  
Five words you'll never say  
I laugh alone like nothing's wrong  
Four days has never felt so long  
If three's a crowd and two was us  
One slipped away

How am I supposed to make you feel okay  
When all you do is walk the other way?  
I can't tell you how much I wish I didn't wanna stay  
I just kinda wish you were gay

To spare my pride  
To give your lack of interest an explanation  
Don't say I'm not your type  
Just say that I'm not your preferred sexual orientation

[Refrão]

I just wanna make you feel okay  
But all you do is look the other way  
I can't tell you how much I wish I didn't wanna stay  
I just kinda wish you were gay

I'm so selfish  
But you make me feel helpless, yeah  
And I can't stand another day  
Stand another day

Is there a reason we're not through?  
Is there a 12-step just for you?  
Our conversation's all in blue  
11 Heys (hey, hey, hey)  
Ten fingers tearing out my hair  
Nine times you never made it there

I just wanna make you feel okay  
But all you do is look the other way  
I can't tell you how much I wish I didn't wanna stay  
I just kinda wish you were gay  
I just kinda wish you were gay  
I just kinda wish you were gay
