m (forma dos acordes no tom de Cm )  
 Capotraste na 3ª casa

Told you not to worry  
 But maybe that's a lie  
 Honey, what's your hurry?  
 Won't you stay inside?  
 Remember not to get too close to stars  
 They're never gonna give you love like ours  
 Where did you go?  
 I should know, but it's cold  
 And I don't wanna be lonely  
 So show me the way home  
 I can't lose another life  
 Hurry, I'm worried  
 The world's a little blurry  
 Or maybe it's my eyes  
 The friends I've had to bury

They keep me up at night  
 Said I couldn't love someone  
 'Cause I might break  
 If you're gonna die, not by mistake  
 So, where did you go?  
 I should know, but it's cold  
 And I don't wanna be lonely  
 So tell me you'll come home  
 Even if it's just a lie  
 I tried not to upset you  
 Let you rescue me the day I met you  
 I just wanted to protect you  
 But now I'll never get to  
 Hurry, I'm worried  
 Where did you go?  
 I should know, but it's cold  
 And I don't wanna be lonely  
 Was hoping you'd come home  
 I don't care if it's a lie
