

Billie Eilish - Ilomilo

Tom: Eb

m (forma dos acordes no tom de Cm)
 Capostraste na 3ª casa

Told you not to worry
 But maybe that's a lie
 Honey, what's your hurry?
 Won't you stay inside?
 Remember not to get too close to stars
 They're never gonna give you love like ours
 Where did you go?
 I should know, but it's cold
 And I don't wanna be lonely
 So show me the way home
 I can't lose another life
 Hurry, I'm worried
 The world's a little blurry
 Or maybe it's my eyes
 The friends I've had to bury

They keep me up at night
 Said I couldn't love someone
 'Cause I might break
 If you're gonna die, not by mistake
 So, where did you go?
 I should know, but it's cold
 And I don't wanna be lonely
 So tell me you'll come home
 Even if it's just a lie
 I tried not to upset you
 Let you rescue me the day I met you
 I just wanted to protect you
 But now I'll never get to
 Hurry, I'm worried
 Where did you go?
 I should know, but it's cold
 And I don't wanna be lonely
 Was hoping you'd come home
 I don't care if it's a lie
