

Billie Eilish - She's Broken

Tom: A

m Am F G Em
 Another story of girl meets boy and gets destroyed uh-oh
 Am F G Em
 Another promise broken in two, the lucky view of fiction
 Am F G Em
 Fade away, fade away, teach me how to fade away
 Am F G Em
 Another story of girl meets boy

F Am
 He's okay, she's broken
 (Don't need it, don't need it, don't need it, don't, don't need it)

F Am
 He's the ocean waves, she's chokin'
 (Don't need it, don't need it, don't need it, don't, don't need it)

Am F G Em
 Fade away, fade away, teach me how to fade away
 Am F G Em
 Another story of girl meets boy

Am F G Em

So picture perfect, it can't be real and all you feel is numb
 Am F G Em
 You see them talking but hear no sound to hit the ground, and fade

F Am
 He's okay, she's broken
 (Don't need it, don't need it, don't need it, don't, don't need it)

F Am
 He's the ocean waves, she's chokin'
 (Don't need it, don't need it, don't need it, don't, don't need it)

(Am F G Em)

Am F G Em
 Don't want it, don't need it, don't want it

Am F G Em
 Don't want it, don't need it, don't want it

Am F G Em
 Don't want it, don't need it, don't want it

Am F G Em
 Don't want it, don't need it, don't want it

Don't need it, don't, don't need it
