

Billie Eilish - The 30Th

tom:

Intro: G G Em Am G D

When I saw the ambulances on the shoulder

I didn't even think of pulling over

I pieced it all together late that night

[Refrão]

I know you don't remember calling me

But I told you even

Then you looked so pretty

In a hospital bed

I remember you said

You were scared

And so was I

[Ponte]

[Primeira Parte]

Sometimes you look the same

Just like you did before the accident

When you're staring into space

It's hard to believe

You don't remember it

Woke up in the ambulance

You pieced it all together on the drive

[Refrão]

What if it happened to you

On a different day?

On a bridge where there wasn't

A rail in the way?

Or a neighborhood street

Where the little kids play?

Or the Angeles Crest

In the snow or the rain?

What if you weren't alone?

There were kids in the car

What if you were remote?

No one knows where you are

If you changed anything

Would you not have survived?

You're alive, you're alive

You're alive

[Refrão Final]

I know you don't remember calling me

But I told you even

Then you looked so pretty

In a hospital bed

I remember you said

You were scared

And so was I

[Segunda Parte]

In a stand still on the five

I thought it was unusual, the early traffic

Usually I don't panic

I just wanted to be on time

And I know you don't

Remember calling me

But I told you even

Then you looked so pretty

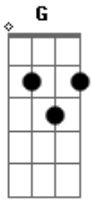

In a hospital bed

You were scared

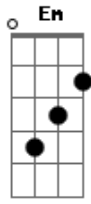

I remember you said

And so was I
