

Billie Eilish - THE GREATEST

tom:
G

All the times I waited (I waited)
For you to want me naked (Naked)
I made it all look painless
Man, am I the greatest

[Ponte]

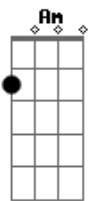

The greatest
The greatest, ah
I, I
I loved you
And I still do

Just wanted passion from you

Just wanted what I gave you

I've waited

And waited (Oh)

[Refrão]

Man, am I the greatest

God, I hate it

All my love and patience

Unappreciated

You said your heart was jaded

You couldn't even break it

I shouldn't have to say it

You could've been the greatest
