

Billie Eilish - What Was I Made For?

tom:

Intro: C Em F
C Em F

I used to float, now I just fall down

I used to know, but I'm not sure now

What I was made for

What was I made for

Takin' a drive, I was an ideal

Looked so alive, turns out, I'm not real

Just something you paid for

What was I made for?

[Refrão]

?Cause I, I

I don't know how to feel

But I wanna try

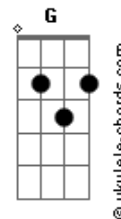

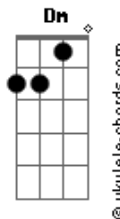

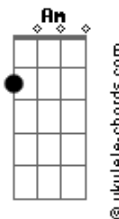

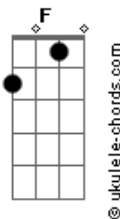

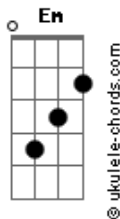

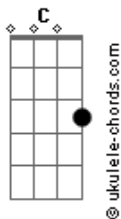

I don't know how to feel

But someday I might

Someday I might

(C Em F)

Acordes

(C Em F)

When did it end? All the enjoyment

I'm sad again, don't tell my boyfriend

It's not what he's made for

What was I made for?

[Refrão]

?Cause I, I

I don't know how to feel

But I wanna try

I don't know how to feel

But someday I might

Someday I might

(C Em F)

[Final]

Think I forgot how to be happy

Something I'm not, but something I can be

Something I wait for

Something I'm made for

Something I'm made for
