

Billie Holiday - Moonglow

Tom: G

Intro: G Em Am D7-

It must have been moonglow
 Way up in the blue
 It must have been moonglow
 That led me straight to you
 I still hear you saying
 "Dear One, hold me fast"
 And I start in praying
 "Oh Lord, please let this last"
 We seemed to float right through the air
 Heavenly songs seemed to come from ev'rywhere

And now when there's moonglow
 Way up in the blue
 I always remember
 That moonglow gave me you
 Interlude:
 We seemed to float right through the air
 Heavenly songs seemed to come from ev'rywhere
 And now when there's moonglow
 Way up in the blue
 I always remember
 That moonglow gave me you
 That moonglow gave me you
 That moonglow gave me you
