

# Billie Marten - Milk And Honey

tom:

G  
[Primeira Parte]

G Gbm Bm  
Honey here we are  
A  
Dreaming in the dark  
G  
Trouble seems so far  
Gbm Bm  
Their thoughts were ours  
A  
But now we dream apart  
G  
Now we dream apart  
Boiling water

[Pré-Refrão]

Bm D A G  
But I'm just content with time well spent  
Bm D A G  
Savor the taste of sugar

[Refrão]

Em  
But all you want is milk  
G A  
More than you can drink  
Bm  
All you want is honey  
D A  
You can't take the sting  
Em  
You live for overkill  
G A  
But you're ungrateful still  
Bm  
All you want is honey  
D A  
Well honey I tried  
Em G  
You just want more  
Bm A  
And now it's all gone

[Segunda Parte]

G Gbm Bm  
Honey you're so kind  
A  
Oh we follow flight  
G  
You showed me your best side  
Gbm Bm  
You pick up every rose in sight  
A  
But all the roses died  
G  
I'd rather keep them alive  
Roots grow slowly

[Pré-Refrão]

Bm D A G  
But I'm just content with time well spent  
Bm D A G  
Savor the taste of sugar

[Refrão]

Em  
But all you want is milk  
G A  
More than you can drink  
Bm  
All you want is honey  
D A  
You can't take the sting  
Em  
You live for overkill  
G A  
But you're ungrateful still  
Bm  
All you want is honey  
D A  
Well honey I tried  
Em G  
You just want more  
Bm D  
And now it's all gone

[Ponte]

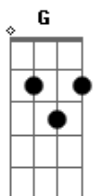

Em  
Honey I tried  
D A  
To make it work  
Bm  
You're unsatisfied  
A D  
You make it worse  
Gbm  
Honey I'd die

[Refrão]

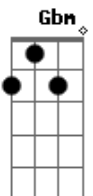

Em  
But all you want is milk  
G A  
More than you can drink  
Bm  
All you want is honey  
D A  
You can't take the sting  
Em  
You live for overkill  
G A  
But you're ungrateful still  
Bm  
All you want is honey  
D A  
Well honey I tried  
Em G  
You just want more  
Bm D  
And now it's all gone

[Final] Bm
