Billy Bragg - A New England

```
                              tom:
                F                 Billy plays the song on an
electric guitar and the whole song is pretty much just palm
With some open strums in between. But I noticed some tabs were
way off and others close
I'm going to make a better one

Note: play F power chords palm muted and quick and pull off
every 8th note on the E
For every "F" so

-[Intro -]

D|-3-3-3-3-3-3-3-3-3-3-3-3-3-3-3-3-|
A|-1-1-1-1-1-1-1-1-1-1-1-1-1-1-1-1-|
E|-1-1-1-1-1-1-1-0-1-1-1-1-1-1-1-0-|

F
I was twenty-one years when I wrote this song
   C                   D
I'm twenty-two now but I won't be for long
Bb                              F
People ask me when will you grow up to be a man
          C                                 Bb
F
But all the girls I loved at school are already pushing prams

F
I loved you then as I love you still
   C                        D
Though I put you on a pedestal, I put you on the pill
Bb                          F
I don't feel bad about letting you go
          C                  F
I just feel bad about letting you know

(Before each chorus he plays a quick opens strum of Bb so it's
like a 16th note of just
Strums then back to palm muting...)

Bb                  A           F
   I don't want to change the world
F                              D
   I'm not looking for new England
          Bb                   A         C
   I'm just looking for another girl
Bb                  A           F
   I don't want to change the world
F                              D
   I'm not looking for new England
          Bb          C       F
   I'm just looking for another girl

F
I loved the words you wrote to me
   C                    D
But that was bloody yesterday
Bb                          F
I can't survive on what you send
C             Bb         F
Everytime you need a friend

F
I saw two shooting stars last night
   C             D
I wished on them but they were only sattelites
Bb                              F
Is It wrong to wish on space hardware?
C      Bb     F
I wish I wish I wish you'd care
Bb                A          F
I don't want to change the world

Ends with

G|-10-| |-10-|  |-8-|
D|-8-| |-10-|  |-8-|
-Outro-

 F, C, Bb, C

End on

And I KNOW THIS TAB ISN'T 100% CORRECT. BECAUSE THERE ARE SOME
OTHER PULL OFFS AND
But I HOPE IT HELPS YOU OUT ! =]
