

Billy Corgan - Aeronaut

tom:
 A (forma dos acordes no tom de G)
 Capotraste na 2ª casa
 Intro: C C2 G D D
 C C2 G D D D

[Primeira Parte]

Tumblin' down the middle
 The world survives
 Look out son the air's alive
 Call it ether elemental eye
 Ooh, dark nights
 One magic heart deceives
 One little mind to ease off
 One silver drum that beats, oh
 This mountain was torn from us
 This mountain was torn from us

[Refrão]

If I'm leaving you without return a snare
 Can a boy float through time and space
 You can call it home if you wish
 Or if it's fair
 But it's mine to share and share alike
 Won't you mourn with me
 Lover won't you mourn with me
 Lovers won't you mourn with me
 (C G D D D)

[Segunda Parte]

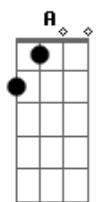

Fall across the middle
 The world survives
 Look out son the air's alive
 Call it ether elemental eye
 Ooh, dark nights
 One magic heart to fly
 One little life to light up
 One silver eye to eye, ooh
 This mountain was born of us
 This mountain was born of us

[Refrão]

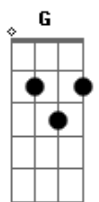

If I'm leaving you without return a snare
 Can a boy float through time and space
 You can call it home if you wish
 Or if it's fair
 But it's mine to share and share alike
 Won't you mourn with me
 Lover won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
 Lovers won't you mourn with me
