Tom: E
  CHORUS:
             R
                                                                                  R
I wanna be a hillbilly, prayin for the rain
                                                                  I'm gonna be a hillbilly
           Е
                                    В
Drink corn whiskey, raise a little cane
                                                                  REPEAT CHORUS
                     Gbm
You can have the big city, I wanna be a hillbilly
                                                                  VERSE 3:
VERSE 1:
               В
City folks got worries, {\ensuremath{\mathsf{A}}} country boy's got none
                                           B
                                                                                В
All I wanna be is the daddy of a farmer's son
                                                                  Let me lie in state
                                                                                       Gbm
               Gbm
Subdivisions are silly
             B
I wanna be a hillbilly
                                                                  I'm gonna be a hillbilly
REPEAT cHORUS
                                                                  REPEAT CHORUS
                                                                                    Gbm
