Tom: D

If you want a little spice to this tasty number, add in a D or D at your discretion. And rock on.
Intro: D

I wanna call you on the telephone baby give you a ring

But each time we talk I get the same old thing

Always no huggie and no kissie 'til I get a weddin ring

My honey my baby don't put my love up on no shelf

She said don't hand me no lines and keep your hands to yourself

Baby baby baby why you treat me this way
You know I'm still your loverboy I still feel the same way

That's when she told me the story about free milk and a cow

She said no huggie and no kissie 'til I get a weddin vow

My honey my baby don't put my love up on no shelf

She said don't hand me no lines and keep your hands to yourself

solo

See I wanted her real bad and I was about to give in
That's when she started talkin 'bout true love started talkin
bout sin

I said honey I'll live with ya for the rest of my life

She said no huggie and no kissie 'til you make me your wife

My honey my baby don't put my love up on no shelf

She said don't hand me no lines and keep your hands to yourself
