

Billy Currington - Let Me Down Easy

Tom: G
Intro: G C G C

There's a little moonlight, dancing on the sand.

There's a warm breeze blowing by the ocean as your taking my hand.

You need to know, where I'm standing now.

That I'm right on the edge of giving in to ya.

Baby it's a long way down.

Refrão:

If I fall, can ya let me down easy.

If I leave my heart with you tonight.

Will you promise me that you're gonna treat it right.

I'm barely hanging on, if I fall, can you let me down easy.

The scent of your perfume, floating in the air.

Looking like an angel, lying on a blanket with a halo of hair. Let me down easy babe.

And those lips, look to good to be true.
Once I taste that kiss, I know what'll happen.
I'll be at the mercy of you.

Refrão:

If I fall, can ya let me down easy.

If I leave my heart with you tonight.

Will you promise me that you're gonna treat it right.

I'm barely hanging on, if I fall, can you let me down easy.
