 Intro: **A D A E A** (you can play with a little **D** run down after the last **A** if you want, then strike a solid **A** at the end)

Verse 1:
 (no chords)
 Well we know it ain't the first time

We know it used to be my past time
 And a couple times back we agreed that was gonna be my last time

But I guess last night I plumb forgot

Who's runnin' this show and who's not

Chorus:
 Oh I musta been off of my rocker
 I musta got some wires crossed
 To come in here claimin' that from here on out

I'ma gonna be the boss
 Oh it musta been me the big talker
 I had a little to mucha Johnny Walker
 So lets forget about it baby
 I musta been off of my rocker

Verse 2:
 (no chords)
 No there ain't no need to stay mad
 No need to waste a whole day mad
 Though I have to admit honey you look pretty darn cute mad
 Oh baby workin' this out can't be that hard
 (no chords)
 (spoken) Ha ha ha I said I'm goin be in charge?

Chorus:
 Well I musta been off of my rocker
 I musta got some wires crossed
 To come in here claimin' that from here on out
 I'ma gonna be the boss
 Oh it musta been me the big talker
 I had a little to mucha Johnny Walker
 So lets forget about it baby
 I musta been off of my rocker

Oh burn it down nah

Chorus:
 Yeah I guess last night I plumb forgot
 Who'sa runnin' this show and who's not

Oh I musta been off of my rocker
 I musta got some wires crossed
 To come in here claimin' that from here on out
 I'ma gonna be the boss
 Oh it musta been me the big talker
 I had a little to mucha Johnny Walker
 So lets forget about it baby
 I musta been off of my rocker
