G G C  
 I remember lookin up, to look up to him,  
 G G C C  
 And I remember most the time, he wasn't there,  
 Em7 D C  
 I'd be waiting at the door, when he got home at night,  
 C G D D  
 He's pass me by to go pass out in his chair, And I'd say,

(Chorus 1)

G Em7  
 Walk a little straighter daddy,  
 C D  
 You're swayin side to side,  
 G Em7  
 Your footsteps make me dizzy,  
 C D  
 And no matter how I'd try,  
 Am7 G  
 I keep trippin and stumblin,  
 C  
 If you'd look down here you'd see,  
 Am7 C D  
 Walk a little straighter daddy,

G| - G - C  
 You're leading me,

(Verse 2)

He stumbled in the gym, on graduation day,  
 And I couldn't help but feel, so ashamed,  
 And I wasn't suprised a bit, that he didn't stay.  
 He stumbled out before they called my name, And I thought,

(Chorus 2)

Walk a little straighter daddy,  
 You're swayin side to side,  
 It's not just me who's whachin,  
 You caught everybody's eye,  
 And you're trippin and stumblin,  
 And even though I've turned eighteen,  
 Walk a little straighter daddy,  
 You're still leading me

(bridge)

C  
 The old man still like he always was,  
 G  
 But I, love him anyway  
 Am7  
 If I've learned one thing from him it's my,  
 C D  
 Kids will never have to say,  
 (Chorus 1)

Walk a little straighter daddy,  
 You're swayin side to side,  
 Your footsteps make me dizzy,  
 And no matter how I'd try,  
 I keep trippin and stumblin,  
 If you'd look down here you'd see,  
 Walk a little straighter daddy,  
 You're leading me,  
 Walk a little straighter daddy,  
 You're leading me
