G G C
 I remember lookin up, to look up to him,
 G G C
 And I remember most the time, he wasn't there,
 Em D C
 I'd be waiting at the door, when he got home at night,
 C G D D
 He's pass me by to go pass out in his chair, And I'd say,

(Chorus 1)

G Em
 Walk a little straighter daddy,
 C D
 You're swayin side to side,
 G Em
 Your footsteps make me dizzy,
 C D
 And no matter how I'd try,
 Am G
 I keep trippin and stumblin,
 C
 If you'd look down here you'd see,
 Am C D
 Walk a little straighter daddy,

G| - G - C
 You're leading me,

(Verse 2)

He stumbled in the gym, on graduation day,
 And I couldn't help but feel, so ashamed,
 And I wasn't suprised a bit, that he didn't stay.
 He stumbled out before they called my name, And I thought,

(Chorus 2)

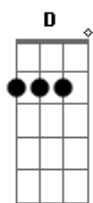

Walk a little straighter daddy,
 You're swayin side to side,
 It's not just me who's whachin,
 You caught everybody's eye,
 And you're trippin and stumblin,
 And even though I've turned eighteen,
 Walk a little straighter daddy,
 You're still leading me

(bridge)

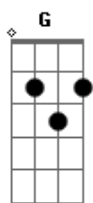

C
 The old man still like he always was,
 G
 But I, love him anyway
 Am
 If I've learned one thing from him it's my,
 C D
 Kids will never have to say,
 (Chorus 1)

Walk a little straighter daddy,
 You're swayin side to side,
 Your footsteps make me dizzy,
 And no matter how I'd try,
 I keep trippin and stumblin,
 If you'd look down here you'd see,
 Walk a little straighter daddy,
 You're leading me,
 Walk a little straighter daddy,
 You're leading me
