Billy Eckstine - Good Morning, Heartache

Tom: A

Intro: Gbm7 Bm7 Cdim E

```
Bm                         Bm7
Goodmorning heartache, you old gloomy sight
E                            Bm       D     Fdim
Goodmorning heartache, thought we said goodbye last night
Gbm           Am          Abm7            Gm7
I turned and tossed until it seemed you had gone
Gbm        Bm7        E7      B
But here you are with the dawn
Bm                    Bm7
Wish I'd forget you, but you're here to stay
E                       Bm    D  Fdim
It seems I met you when my love went away
Gbm       Am          Abm7      Gm7
Now every day I start by saying to you
```

```
    Gbm7          Bm7        Cdim    E
"Good morning, Heartache, what's new"
Bridge
Ab7              Dbm  Ab7          Db      Db7  Gbm
Stop haunting me now; can't shake you no how
Dbm7 Gb7        B
Just leave me alone
B7   Gm7     F7           Bm7          E7
I've got those Monday blues straight through Sunday blues
Bm                    Bm7
Goodmorning heartache; here we go again
E                       Bm       D    Fdim
Goodmorning heartache, you're the one who knew me when
Gbm           Am       Abm7     Gm7
Might as well get used to you hangin' around
Gbm7        F7       Fdim    E
Goodmorning heartache    sit down
```
