

Billy Joel - The River Of Dreams

tom:

In the middle of the night I go walking in my sleep
 from the mountains of faith to a river so deep
 I must be looking for something something sacred I lost
 But the river is wide and it's too hard to cross

And even though I knew the river is wide
 I walk down every evening and I stand on the shore
 And try to cross to the opposite side
 So I can finally find out what I've been looking for

In the middle of the night I go walking in my sleep
 Through the valley of fear to a river so deep
 And I've been searching for something taken away of my soul
 Something I would never lose something somebody stole
 I don't know why I go walking at night
 But now I'm tired and I don't walk anymore
 I hope it doesn't take the rest of my life

Until I find what it is I've been looking for
 In the middle of the night I go walking in my sleep
 Through the jungle of doubt to a river so deep
 I know I'm searching for something something so undefined
 That it only can be seen by the eyes of a blind

In the middle of the night
 I'm not sure about life after this
 god knows I've never been a spiritual man
 Baptized by the fire, I waded into the river
 That turns to be the promised land

In the middle of the night I go walking in my sleep
 Through the desert of truth to a river so deep
 We're all land in the ocean we all start in the streams
 We're all carried along by the river of dreams

In the middle of the night
