

Billy Joel - The River Of Dreams

tom:

In the middle of the night I go walking in my sleep

from the mountains of faith to a river so deep

G

I must be looking for something something sacred I lost

C

But the river is wide and it's too hard to cross

Em D
And even thought I knew the river is wide
C G
I walk down every evening and I stand on the shore
C G
And try to cross to the opposite side
A7 D
So I can finally find out what I've been looking for

In the middle of the night I go walking in my sleep

C

Through the valley of fear to a river so deep

G

And I've been searching for something taken away of my soul

C

Something I would never lose something somebody stole

Em

D

I don't know why I go walking at night

C

G

But now I'm tired and I don't walk anymore

C

G

I hope it doesn't take the rest of my life

Until I find what it is I've been looking for G G In the middle of the night I go walking in my sleep C D Through the jungle of doubt to a river so deep G I know I'm searching for something something so undefined C D That it only can be seen by the eyes of a blind

G In the middle of the night Em D I'm not sure about life after this

Em D

I'm not sure about life after this

C G

god knows I've never been a spiritual man
C G

Babtized by the fire, I wade into the river

A7 D

That turns to be the promised land

In the middle of the night I go walking in my sleep

C

Through the desert of truth to a river so deep

G

We're all land in the ocean we all start in the streams

C

D

We're all carried along by the river of dreams

In the middle of the night
