

Billy Lockett - Call Me In The Morning

tom:
 Ab
 Call me in the morning when you wake up
 Ab Fm
 We've been fighting over nothing, drinking too much
 Db Ab Eb
 I'd better leave before you and me get hurt
 Ab
 We were never like this when we first met
 Fm
 So, we should take a breath and try to reset
 Db
 I walk away 'cause staying only makes it
 Ab Eb
 Worse
 [Pre-Chorus]
 Db
 And looking back, I was mad
 Fm Eb
 Maybe a little bit crazy
 Db
 And now you're gone, all the wrongs
 Fm Eb
 Don't matter now you're not with me
 [Chorus]
 Ab
 So, call me in the morning when you wake up
 Ab
 Been fighting over nothing, drinking far too much
 Fm Db
 I know I should leave before I say things I
 Ab Eb
 Don't mean
 Ab
 So, call me in the morning, I'll be waiting up
 Ab
 Tell me you forgive me and you're missing us
 Fm Db
 Tomorrow you'll see, you know you can talk
 Ab Eb
 To me
 Db
 So, call me in the morning, you can talk to
 Ab
 Me
 [Verse 2]

 Of you
