

Billy Lockett - Who I Am

Tom: E

How long do I have to pretend that it's for the best
 Till I call you up screaming forgive and forget about it
 Forget about it

They say time is a healer but I keep getting weaker
 I know that you're over and I should be too but I can't forget
 Forget about it

[Refrão]

Cuz I'm not letting go
 Of who I am
 And what we were
 No, I'm not letting go
 Of who I am
 And what we were
 And where will be

(E)

E

How long do I have to wait till I'm ready
 To open my heart up to somebody new I'm not looking for them
 I'm looking for you

Maybe I'll be okay in a week or a year
 I don't want you to feel bad for what you left here
 You can't help who you love
 And who you lose

[Refrão]

Cuz I'm not letting go
 Of who I am
 And what we were
 No, I'm not letting go
 Of who I am
 And what we were

How long do I have to pretend that it's for the best
 Till I call you up screaming forgive and forget about it
 Forget about us
