Broken I came to you
 And I fell at your feet
 Tripping over my regrets, consequence,
 Now relenting, now repenting
 These eyes need light
 Oh my head needs the oil
 My burden is lifting
 The arrows retreat at your word
 I've journeyed through hinterlands
 I swam in the leaves
 I covered my face with the rain, rid this stain
 Needing release, craving your peace
 These eyes need light
 Oh my head needs the oil
 My burden is lifting

The arrows retreat at your word
 Uh uh uhhhh uhhh?
 The sins of our fathers
 The ache of the nation
 Broken in two by the king of redemption
 The lines in our borders
 The red on our hands
 Like a plunge in the blue there is clear
 These eyes need light
 Oh my head needs the oil
 My burden is lifting
 The arrows retreat at your word
 My burden is lifting
 The arrows retreat at your word
 My burden is lifting
 The arrows retreat at your word.
