Billy Talent - Afraid Of Heights

Tom: A

m Am
Wherever I go, wherever I go
Em
I have to question the hand that I hold close
F
Wherever I go, wherever I go
D2
I have to silence the words that you fear most

Am
Don't ever let go, don't ever let go
Em
are we destined to hit the ground below?
F
Don't ever let go, don't ever let go
D2
We're at the end of a burning tightrope

[Refrão]

F
Now I'm waiting on the corner in the back of your mind
Am
it's a lonely place to live, and I got nowhere to hide
G D (Dm
) D2
Cause you told me that you'd never be afraid of heights again
F
Nobody ever thought that we could make it this high
Am
you're the only one I'd follow till the end of time
G D (Dm)
D2
If we fall, we fall together baby, don't think twice again

Am
Together I know, together I know
Em
that we'd burn like a rockets afterglow
F
Together I know, together I know
D2
We could conquer the stars beyond this world

Am
We let it all go, we let it all go
Em
I'm just a voice on a broken radio
F
We let it all go, we let it all go
D2
We got lost in the constellations

[Refrão]
