

## **Bioshock Infinite - After You've Gone**

```
Intro: C C7 D G
                       C7
                                                    G
Now won't you listen dearie while I say?
                                                  D7
G7
How could you tell me that you're goin' away?
                     Am7
Don't you say that we must part
Don't break my aching heart
                                                G
You know I've loved truly many years
I Loved you night and day
How can you leave me
can't you see my tears?
                          C7
Listen while I say
After you've gone, and left me crying
After you've gone, there's no denying
```
