

# Biquini Cavado - Quem Me Olha Só

Tom: C

Já reguei quase todas as plantas E7  
A Já chorei sobre todo jardim Am  
E Elas gostam da chuva que molha E7  
A Elas pensam que o sol é ruim Am  
E Quando o sol nos meus olhos brilhava Ab  
A Por amar minha flor tanto assim Am  
E Fui feliz sem saber que secava a rosa Ab  
A Am

E trazia o seu fim

E Hoje sente dó quem me olha só E7  
A Eu tenho o espinho do carinho Am  
E Hoje sente dó quem me olha sozinho A Am  
E Hoje sente dó quem me olha só E7  
A Eu tenho o carinho do espinho Am  
E Hoje sente dó quem me olha sozinho A Am
