

# Birdy - Standing In The Way Of The Light

Tom: G

Intro: G D Am C D

G D  
Through the driving rain

Am  
I have lost the words

Em  
To peace us back together

D G  
To tell you how it hurts.

D  
Cause lately we've been breaking

Am  
All we've built so far

Em  
And I'm tired of sitting waiting

D C  
Alone in the dark.

Em D C  
There's still a way to make it right

Em D G  
We'll find the strength this time.

G D  
And pull back this fail

Am  
Turn night into day

Em D G  
Don't you know you're standing in the way of the light?

D  
Pour oil on these flames

Am  
Speed up my heart again

C D G  
Don't you know you're standing in the way of the light?

G D  
Round we go in circles

Am  
Does it have to be this hard?  
Em

We can stop the fighting

D C  
If you let down your guard

Em D C  
There's still a way to make it right

Em D  
We'll find the strength this time

G D  
And pull back this fail

Am  
Turn night into day

Em D G  
Don't you know you're standing in the way of the light?

D  
Pour oil on these flames

Am  
Speed up my heart again

C D Am  
Don't you know you're standing in the way of the light?

Am Em  
So come on, come on, come on

D Am  
We've been living in the shadows too long

Em D  
So come on, come on, come on

G D  
Just pull back this fail

Am  
Turn night into day

Em D G  
Don't you know you're standing in the way of the light?

D  
Pour oil on these flames

Am  
Speed up my heart again

C D C  
Don't you know you're standing in the way of the light?

D G  
You're standing in the way of the light?
