

# Birdy - The District Sleeps Alone Tonight

Tom: C

C Dm Am

Smearred black ink:

C Dm Am  
your face is ashen and

C Dm Am  
I'm barely listening to last demands

C Dm Am  
I'm staring at the asphalt wondering what's  
Buried underneath

F C G  
where i am  
F C G F  
where i am

C Dm Am C Dm  
I'll wear my badge: a vinyl sticker with big block  
Am

C Dm Am C Dm  
Letters adherent to my chest  
That tells your new friends i am a visitor here:

Am  
i am not permanent  
C Dm Am C Dm Am  
And the only thing keeping me dry is

F C G  
where i am

(F C G )  
You seem so out of context in this gaudy  
Apartment complex  
A stranger with a door key explaining that i am  
Just visiting

And i am finally seeing why i was the one worth  
Leaving

F  
why i was the one worth  
C  
Leaving

C Dm Am  
D.c. sleeps alone tonight  
(2X)

(F C G )  
You seem so out of context in this gaudy  
Apartment complex  
A stranger with a door key explaining that i am  
Just visiting  
And i am finally seeing why i was the one worth  
Leaving

F  
why i was the one worth  
C  
Leaving

F C G  
The district sleeps alone tonight after the bars turn out  
their lights

F C G  
And send the autos swerving into the loneliest evening

F C G F  
And i am finally seeing why i was the one worth leaving

C  
why i was the one worth leaving

F  
why i was the one worth leaving

C F C  
why i was the one worth leaving
