

# Birdy - Wild Horses

Tom: Ab

(com acordes na forma de G )

Capostrate na 1ª casa

Em7  
I'm a dreamer

But it's hard to sleep when your head's not in it  
Em7  
I've been restless

Cause you disappeared and that's all that's missing  
Am C  
The Earth is loose under my shoes  
Em7  
There's an angel

And he's shaped like you, and I thought I knew him  
Em7  
There's a window

And it's dark inside, but the light was in it  
Am C  
This can't be love if it hurts so much  
Am C  
I need to let go

C G D D Em7 D  
I will survive and be the one who's stronger  
C G D Em7 D  
I will not beg you to stay  
C G D D Em7 D  
I will move on and you should know I mean it  
C G D  
Wild horses run in me

Em7  
I remember  
G  
How we danced so close, I would stand on your feet  
Em7  
And the phone calls

G  
That would last all night, they were lifeboats to me  
Am C  
Our fading scars, just shooting stars  
Am C  
They're here, then go

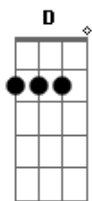

C G D D Em7 D  
I will survive and be the one who's stronger  
C G D Em7 D  
I will not beg you to stay  
C G D D Em7 D  
I will move on and you should know I mean it  
C G D  
Wild horses run in me

Am G D Em7  
Our human hearts, forget how strong they are  
C G D  
And they get lost along the way, hey  
Am G D Em7  
It's not giving up, it's letting go  
C G D  
And moving to a better place

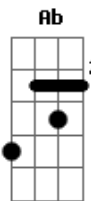

C G D D Em7 D  
I will survive and be the one who's stronger  
C G D Em7 D  
I will not beg you to stay  
C G D D Em7 D  
I will move on and you should know I mean it  
C G D  
Wild horses run in me

C G D D Em7 D  
I will survive and be the one who's stronger  
C G D Em7 D  
I will not beg you to stay  
C G D D Em7 D  
I will move on and you should know I mean it  
C G D  
Wild horses run in me
