Tom: **G**
Intro: (**Em C G D**)

G
Sunlight comes creeping in
Illuminates our skin

We watched the day go by
Stories of what we did

We danced on top of cars

Took pictures of the stage
So far from where we are

G
They made me think of you

Em
O-o-oh lights go down
C
In the moment we're lost and found
G
And I just wanna be by your side
D
If these wings could fly
Em
O-oh damn these walls
C
In the moment we're ten feet tall
G
And how you told me after it all
D
We'd remember tonight
G
For the rest of our lives

I'm in the foreign state
My thoughts they've slipped away
