

# Birdy - Wings

Tom: G  
Intro: (Em C G D )

G  
Sunlight comes creeping in  
Illuminates our skin  
Bm  
We watched the day go by  
Stories of what we did  
C  
It made me think of you  
It made me think of you

G  
Under a trillion stars  
We danced on top of cars  
Bm  
Took pictures of the stage  
So far from where we are  
C  
They made me think of you  
They made me think of you

Em  
O-o-oh lights go down  
C  
In the moment we're lost and found  
G  
And I just wanna be by your side  
D  
If these wings could fly  
Em  
O-oh damn these walls  
C  
In the moment we're ten feet tall  
G  
And how you told me after it all  
D  
We'd remember tonight  
G  
For the rest of our lives

G  
I'm in the foreign state  
My thoughts they've slipped away  
Bm  
My words are leaving me  
They caught an airplane  
C  
Because I thought of you

Just for the thought of you
