

# Birdy - Without a Word

Tom: G

G Bm  
 Hey you can tell the world  
 Em C  
 That you're leaving  
 G Bm  
 And you can pack your bags  
 Em C  
 And spread your wings  
 G Bm  
 And you can tell them all  
 Em C  
 That it's over  
 G Bm  
 But while you wave goodbye  
 Em C  
 I'll be getting closer

G C  
 Stand there and look into my eyes  
 G C  
 And tell me that all we had were lies  
 G C  
 Show me that to you it don't count

G C  
 And I'll stand here if you prefer  
 G C  
 Yes I'll leave you without a word  
 G  
 Without a word

(repeat 1st verse chords)  
 And you can tell the world  
 That you're tired  
 But your excuses, they won't work  
 'Cause I'll know that you're lying  
 Every time that I see your face  
 I notice all the suffering  
 Just turn to my embrace  
 I won't let you come to nothing

(repeat chorus chords)  
 Stand there and look into my eyes  
 And tell me that all we had were lies  
 Show me that to you it don't count  
 And I'll stand here if you prefer  
 Yes I'll leave you without a word  
 Without a word
