

Bistrô - Copacabana

tom:

Intro: D D7 G Ab
D D7 G Ab

Vejo a beleza do amor e a pureza da paz

Que acabou de chegar

Olhe pro sorriso teu

E encontro o meu dentro do teu olhar

Nos pés a beleza do céu

Vem trazendo o seu mel

Para eu me lambuzar

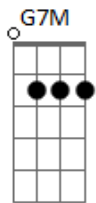

Devia ter pena de mim

Pois tratando me assim posso não aguentar

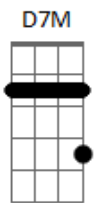

Então me diz se o amor é assim

Como brasa de fogo a queimar
Depois que olhaste pra mim
Não consigo mais parar de pensar em você
De Copacabana ao Leblon
A cor do seu baton
A lembrança me traz
Nas mãos vem trazendo o dom
Me ensinando o tom deste nosso lugar
Não tenho mais como fugir
Sem forças pra ir quero me entregar
Devia ter pena de mim
Pois tratando me assim posso não aguentar
