

Bistrô - Morena

tom:

Intro: A7M Abm7 Gbm7 Abm7 A7M A

São coisas dessa vida tão cigana
 Caminhos como as linhas dessas mãos
 Vontade chegar olha eu chegando
 E vem essa Cigarra no meu peito
 Já querendo ir cantar no outro lugar

Diga lá meu coração da alegria
 Da alegria de rever essa menina
 E abraça-lá e beija-lá

Diga lá meu coração

Conte as histórias das pessoas
 Nas estradas dessa vida

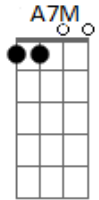

Espera por mim morena
 Espera que eu chego já
 O amor por você morena

Diga lá meu coração

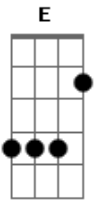

Que ela está dentro do meu peito

E bem guardada
 Que é preciso mais que nunca
 Proseguir
 Por você morena
