

Bittenca - Let It Grow

Tom: D
Intro: D A Bm

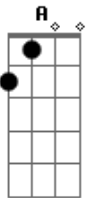

All the melodies I've created
Are the power of my soul
All the place that I've been
All the people that I know
Let it go
Let it go
Let it go
Let it go
Let it go
Some of all the things that I've learned

Tell me not to let it go
Take me into your world
Hold on my dreams, my thoughts, my hopes
Let it grow
Let it grow
Let it grow
Let it grow
Let it grow
Let it grow
Let it go
Let it go
Let it go
Let it go
Let it go
Let it go
