 Come over! On to the virgin ground  
 Deep where the forest sounds  
 Take you away  
 Db Abm Db Abm  
 Oh! In the woods where the countryside  
 Reaches for hidden skies  
 Escaping away  
 B Db Ab  
 Climbing the hills and the mountains  
 Of Santa Teresa  
 B Db Ab D Gb  
 Breathing the air and the blues skies of a sunny day  
 Db Abm Db Abm  
 Blow, so strong, the winds from the mountains high  
 Rest at the riverside  
 Fading away

Go up high to a place where the waterfalls  
 Slide down the rock-cliff walls  
 Splashing away  
 B Db Ab  
 Climbing the hills and the mountains  
 Of Santa Teresa  
 B Db Ab D B Gb  
 Feeling the breeze and the blue skies of a sunny day

 Climbing the hills and the mountains  
 Of Santa Teresa  
 B Db Ab D B Gb  
 Under the thunder-blue skies of a sunny day

 All my innocence was lost along the way  
 Another day is over  
 Take me to this place I always will remember  
 Throw all my ashes on that land
