Tom: B

B  
First love

Taught me how to break my heart  
B  
How to wander around in the darkness  
Gb  
On my way back to the start  
B  
When a new love  
E  
Would be there to take my hand  
B  
When the same old words I'd always heard  
Gb  
I'd believe them all over again  
Ab B  
Though I knew it could never be
